

Receiver Shake-Up with Vibrator

Features/Benefits

- > Alerts you to fire, smoke or CO
- > Shakes you awake with a bed vibrator
- > Works with single or multiple Medallion Series Smoke/Fire Transmitters and Carbon Monoxide detectors
- > Plugs into any standard 110-volt electrical outlet
- > Features the Silent Call 5-Year Limited Warranty

Shake up to smoke/fire or carbon monoxide when sleeping with your hearing aid removed.

The Medallion Series Shake-Up Receiver with Vibrator works with single or multiple Medallion Series Smoke/Fire Transmitters and Carbon Monoxide detectors. When a transmitter signals a warning, the receiver activates a bed vibrator to awaken you and alert you to the potential danger. Position the bed vibrator between your mattress and box spring and place the receiver on your nightstand. It plugs into any standard 110-volt electrical outlet.

Specifications

Power: 120 VAC 60 Hz

Range: Up to 100 feet, depending on conditions

30-Day Return Policy If Not Completely Satisfied

Manufactured in America

5-Year Limited Warranty: This Silent Call product is warranted to be free of defects in material or workmanship for five years from the date of initial purchase. During that time, the unit will be repaired or replaced free of charge (three- to five-day turnaround) when shipped prepaid in original packaging to Silent Call Communications. This warranty is void if the defect is caused by customer abuse or neglect.
