

ACC002

## Escutcheon Ring For 2" Poles

Visually enhances a suspended ceiling installation by covering the hole where the extension column passes through the ceiling tile. The escutcheon ring is hinged to open for access. The hinged ring wraps around a 2" schedule 40 extension column.

### FEATURES

- Polished chrome ring covers the hole where the extension column passes through the ceiling, cleanly covering the hole and finishing the installation
- Hinged ring opens to wrap around 2" schedule 40 extension column
- Opens easily and quickly snaps into place without the use of tools

- **SIMPLE INSTALLATION**  
Hinge opens to quickly snap into place
