C2G

6ft (1.8m) Thunderbolt™ 3 Cable (20Gbps) (TAA Compliant)

Part No. CG-28842

Thunderbolt 3 brings lightning speed data transfer, 4K video support, high bit depth audio, and power delivery up to 100W. Get more done with less hassle by carrying one cable to complete nearly any task.

Deliver up to 20Gbps to or from a Thunderbolt 3 enabled port. Whether uploading or downloading data, this cable is an ideal solution to transfer large amounts of information such as high resolution photos for editing or storage, 3D models for video game authoring, or HD video for editing.

Ensure that a Thunderbolt 3 equipped laptop, smartphone, or tablet is fully charged and ready to go while displaying video content, transferring files, or streaming audio. Deliver up to 100W of charging power to or from the connected device with smart power delivery. The Thunderbolt 3 cable offers a light-weight, portable, and simple way to deliver video, and data—while staying charged up!

The USB-C connector has a robust design, allowing for the connector to be plugged in and un-plugged up to 10,000 times. The sturdy construction ensures that the product provides peace of mind and is built to stand up to the rigors the most demanding on-the-go life. The USB-C connector has a symmetrical design which is identical on both sides, so it does not matter if you plug it in upside-down or right-side-up. It will plug in the first time, every time while preventing damage to the connector port.

Discover additional benefits and specifications of Thunderbolt 3

Note; Due to the length limitations of Thunderbolt 3, this cable is capable of 20Gbps. For 40Gbps applications refer to 1.5ft Thunderbolt 3 USB-C Cable (40GBPS) (28840)

Features & Benefits

- Supports a top data transfer speed of 20Gbps when connected to Thunderbolt 3 devices
- 4x faster than USB 3.0 and 2x more video bandwidth than HDMI
- Thunderbolt, USB and DisplayPort backward compatible
- Supports 4K 60Hz displays (4096 x 2160 30bpp @ 60 Hz)
- Capable of charging and syncing USB-C mobile devices
- Thunderbolt Networking allows 10Gb Ethernet connection between computers
- Daisy-chain up to six devices

Specifications

General Info

Product Line	C2G	Color	Black

UPC Number	757120288428	Country Of Origin	Taiwan, Province Of China
Features	Thunderbolt™ 3	Application Sector	Residential, Commercial
Type	Cable		

Dimensions

Cable Length	6 ft		

Additional Information

Prop 65 Warning Required	Yes	Prop 65 Warning Language	Cancer and Reproductive Harm

Technical Information

Jacket Material	PVC (Polyvinyl Chloride)	Wire Gauge	32 AWG
Cable Type	USB	Data Transfer Rate	20 Gbps
Adapter Rear	USB-C Male	Adapter Front	USB-C Male
